INDEX TO DUN'S REVIEW AND MODERN INDUSTRY

VOLUME 69 ... NUMBERS 1–8 ... NOVEMBER 1956 – JUNE 1957

Titles of articles and other items are listed alphabetically under subject. Company names are listed (under **Companies**) only when a company program or case history has been the *subject* of a published item.

Throughout the Index, entries are followed by the month and page number of the issue in which the item in question appeared. Titles of short items are followed by the identifying symbol *"(s)."* Regular monthly departments and economic material appearing at regular intervals in the magazine are not listed in this Index. A separate listing of authors will be found following the subject listing.

INDEX TO DUN'S REVIEW AND MODERN INDUSTRY

VOLUME 70 ... NUMBERS 1–6 ... JULY 1957 – DECEMBER 1957

Titles of articles and other items are listed alphabetically under subject. Company names are listed (under **Companies**) only when a company program or case history has been the *subject* of a published item.

Throughout the Index, entries are followed by the month and page number of the issue in which the item in question appeared. Titles of short items are followed by the identifying symbol "*(s)*." Regular monthly departments and economic material appearing at regular intervals in the magazine are not listed in this Index. A separate listing of authors will be found following the subject listing.
